The 9th UAE Graduate Students Research Conference

www.uaegsrc.ae

Overview

The Graduate Students Research Conference (GSRC) is an exciting multidisciplinary academic event to share the research being conducted at universities across the United Arab Emirates (UAE) and their international partners. The main purpose of the GSRC is to provide opportunities for graduate students to share their research work amongst themselves, receive scholarly feedback, and network professionally. The event will also enable graduate students to showcase their innovative scholarship to various sectors of industry and government, and receive feedback on practical aspects that may enhance the value of their research. Prospective graduate students will learn about the various research opportunities available at the participating academic institutions.

UAE GSRC Tracks

- EDUCATION, ARTS, HUMANITIES & SOCIAL SCIENCES
- BUSINESS & MANAGEMENT
- CLINICAL, PRE-CLINICAL, HEALTH & LIFE SCIENCES
- ENGINEERING, INFORMATION TECHNOLOGY & PHYSICAL SCIENCES

Information about the various topics under each track can be found on the conference web page: www.uaegsrc.ae/research-topics

Submission of Papers

Prospective authors are invited to submit short papers of up to two pages in length and in double-column format, which describe their research and results through the GSRC online submission system. Each paper must include an abstract of 50-150 words. Please follow the guidelines in the paper submission section www.uaegsrc.ae. All submissions must be made through: <https://edas.info/newPaper.php?c=31852>

Eligibility and Copyright

To be eligible, the first author must be a graduate student at a higher education institution in the UAE in Academic Year 2023-2024, an Emirati graduate student enrolled at an international institution or an invited student. Select senior undergraduate students at UAE universities are also encouraged to submit papers. Conference participation is free of charge to all students. Copyright of all papers submitted to UAE GSRC remains with the authors. This means authors are free to publish their work in other conferences or journals.
